

# Flavor Savor™ Freeze Dried Powders

**U**nder the Flavor Savor™ brand we offer freeze dried fruit and vegetable juices that are manufactured using a patented, low-heat, continuous-vacuum, freeze-drying process. The freeze dried powders retain the flavor, nutrients, and color of the original juice or concentrate in a shelf stable format.

### Advantages

- All natural label claims — (100% natural, Real juice/real fruit, juice solids, etc.)
- Excellent solubility in cold and hot water
- Compatible with low/intermediate moisture foods
- Ready to use (no defrosting required)
- Easy storage/non-refrigerated
- Microbial stability
- Long shelf life (12-24 mos)

### Applications

- Baby Foods
- Baked Goods
- Beverages
- Confections
- Dairy
- Frozen Treats
- Nutraceuticals
- Pharmaceuticals
- Replacers
- Sauces/Dressings/Savory

### Available in:

- Fruit
- Vegetable
- Organic
- Specialty

### Alternative Uses

Due to their superior quality, operational advantages and clean label claim, they are an excellent alternative for liquid concentrates, spray dried concentrates, and specialty powders.

### Comparison to Fresh Fruit Juice

*Comparison of Fresh Fruit Juice Equivalent to One Kilogram of Freeze-dried powders:*

- 99 Oranges = 1 kg of freeze dried fruit powder
- 156 Lemons = 1 kg of freeze dried fruit powder
- 192 Limes = 1 kg of freeze dried fruit powder
